Prof. B. Satapathy

Chairman, P.G. Council, Utkal University

Convener: **Dr. S. Sahoo**

Organizing Secretary: **Prof. J. Dandapat**

Co-Convener cum Treasurer: **Dr. (Mrs.) J. Pradhan**

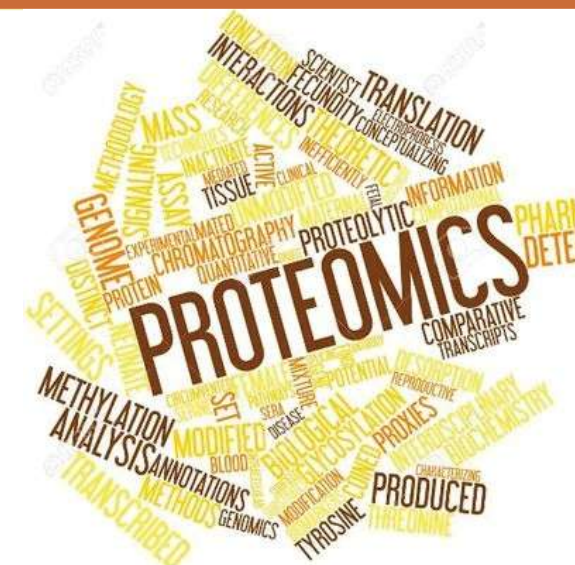

Co-organizing Secretary: **Dr. S. Majhi**

NAAC A+ Accredited

**WB-OHEPEE Sponsored
National Seminar cum Workshop
ON
Proteomics in Public Health**

15th - 16th March, 2019

Organized by

Post Graduate Department of Biotechnology,
Utkal University, Bhubaneswar - 751 004,
Odisha, India.

Venue:

Post-Graduate Council Hall
Utkal University, Bhubaneswar

About the Theme:

The basic objective of the Conference is to bring together academicians and experts from different parts of the county to exchange knowledge and ideas for an in-depth analysis of topics of Science & Technology. The Seminar cum Workshop programme is being conducted to enrich and upgrade researchers with the advances in Proteomics and implications in combating various ailments through a well amalgamated forum for sharing their knowledge, experiences and research findings.

The workshop is aimed at acquiring basic techniques in Proteomics to accomplish the objective thereby translating the basic knowledge and information acquired for Biological Science research and its significance to ensure and improvise quality in Public Health.

The Seminar & Workshop provide a enthralling platform for the Universities and College level Teachers/ Researchers/ Post Graduate Students that Catalogues plena lectures on Proteomics imbibing knowledge, skills and hands on training to be delivered by eminent academicians and experienced Resource persons across the county. The relevant queries, troubleshooting of doubts if any shall be addressed by the trainers.

Bhubaneswar and Utkal University

Bhubaneswar, the capital of Odisha, is also popularly known as the "Temple City of India". Hundreds of temples dot the landscape of the Old Town, which once boasted of more than 2000 temples. The new Bhubaneswar with its modern buildings and extensive infrastructure perfectly complements its historic surroundings. With facilities to cater to ever type of visitor, Bhubaneswar makes an ideal tourist destination. The city is emerging fast as a future educational hub of Eastern Zone of India.

Utkal University established in the Year 1943 accredited by NAAC (A+) and is also declared Category -I University by MHRD. It is the 17th oldest University in India. At present the University Campus spread over 400 acres of sprawling land at Vani Vihar in Bhubaneswar with 27 Post Graduate Departments offering Masters and Doctoral programs in various disciplines.

Post Graduate Department of Biotechnology is established in the Year 2002 and is supported by Department of Biotechnology, Govt. of India, New Delhi under DBT-HRD programme. The Department is also under the support of DST- PURSE program.

Call for Abstract/ Poster presentation

- Abstract should be in MS word, Times New Roman, Front size 12, 1.5 pt space with 2.5 cm margin.
