

## ORGANISING COMMITTEE

**Chief Patron:** Prof. S. M. Patnaik, Vice Chancellor, Utkal University

**Patron:** Prof. B. Satapathy; Chairman, P.G. Council, Utkal University

**Convener:** Prof. N. Das, Head, P.G. Department of Chemistry, Utkal University

**Organising Secretary-cum-Treasurer:** Dr. S. N. Pal, P.G. Department of Chemistry

## MEMBERS

Prof. P. K. Sahoo

Prof. J. Behera

Dr. S. K. Badamali

Dr. J. Dinda

Dr. B. N. Patra

Dr. B. Jena

Dr. A. K. Behera

Dr. H. K. Kisan

## ADVISORY COMMITTEE

Prof. A. C. Dash, Utkal University

Prof. S. Jena, Utkal University

Prof. G. D. Yadav, ICT, Mumbai

Prof. Ramakant, University of Delhi, Delhi

Prof. T. Pal, IIT-Kharagpur

Prof. A. K. Mishra, IIT-Madras, Chennai

Prof. S. Roy, IIT, Bhubaneswar

Prof. G. K. Lahiri, IIT-Bombay, Mumbai

Prof. K. M. Parida, SoA Univ., Bhubaneswar

Prof. A. Samanta, UoH, Hyderabad

Prof. N. Pradhan, IACS, Kolkata

Prof. S. Bhattacharya, Jadavpur University

Prof. S. Pal, Director, IISER, Kolkata

Prof. S. K. Nayak, DG, CIPET

Prof. R. Murugavel, IIT-Bombay, Mumbai

## IMPORTANT DATES

*Last date of Abstract submission: Feb 18, 2019*

*Notification of Acceptance: Feb 18, 2019*

*Conference dates: February 23-24, 2019*

## FURTHER DETAILS & CONTACT

### Organising Secretary

Department of Chemistry, Utkal University,  
Bhubaneswar 751004, Odisha

# National Conference on Advances in Materials Chemistry and Applications (AMCA – 2019)

February 23-24, 2019

*Sponsored by*

**World Bank – OHEPEE of  
Utkal University**

*Organised by*

**Department of Chemistry  
Utkal University, Bhubaneswar,  
Odisha, India**

## ABOUT UTKAL UNIVERSITY

Established in 1943, Utkal University, Bhubaneswar is the 17<sup>th</sup> oldest University of India and the Mother University of the state of Odisha. It caters to the learning needs of about 1.5 crore people belonging to nine districts of the state. It is a teaching, research-cum-affiliating university offering 27 full-fledged regular Post-Graduate Departments and 17 Self-Financing programmes within the campus and has 371 affiliated colleges covering faculties of Humanities and the Social Sciences, Science & Technology, Commerce and Management, Pedagogical Science (Education), Medicine including Ayurveda, Homeopathy and also Law.

## ABOUT DEPARTMENT OF CHEMISTRY

The P.G. Department of Chemistry, established in the year 1967, has been imparting teaching and training in emerging fields of Chemistry and Chemical sciences through regular M.Sc., M.Phil. and Ph.D. programmes. During last 50 years, the department has produced a large number of quality human resources in Chemical sciences who occupied important academic/research and industrial positions in India and abroad. The department has been well recognized at national level and received funds through UGC (Under DRS, DSA-I, DSA-II) and DST (FIST and PURSE) programmes besides sponsored projects from various funding agencies. Currently with ten well qualified faculty members, the department is actively pursuing research in several frontier areas of chemical sciences.

## ABOUT BHUBANESWAR

**Bhubaneswar** is the capital of the state Odisha. The city has a history of over 3,000 years starting with the Mahamegha-bahana Chedi dynasty (around the 2nd century BC) which had its capital at Sisupalgarh, nearby. It is the largest city in Odisha and is a centre of economic and religious importance in Eastern India. Bhubaneswar is often referred to as a 'Temple City of India' and with Puri and Konark, it forms the Swarna Tribhuj ("Golden Triangle"), one of eastern India's most visited destinations. It is being transformed into a knowledge city and educational hub due to setting up of several leading research and academic institutes like CSIR-

IMMT, IIT, NISER, IOP, IOL, AIIMS, CIPET, KITT, SOA besides several other Central and State Government Institutes.

## ABOUT THE CONFERENCE

Materials Chemistry holds the keys to provide new materials with specific functions and new processes to meet the ever changing need of society in various sectors. The National conference **AMCA 2019** aims to provide a forum for eminent academicians, scientists, technologists and young researchers to exchange and share their experiences and research results on the latest developments on materials chemistry. Eminent persons in the respective fields share their experiences and knowledge with the participants, which in turn are expected to promote research activities in these areas. It will also provide the platform for investment and collaborations between Academia, R & D sectors and Industries. It is expected that the august gathering will deliberate on future direction of research in materials chemistry to find solutions of some upcoming challenges.

## INVITED SPEAKER (Tentative)

Prof. Sujit Roy, IIT Bhubaneswar

Prof. G. K. Lahiri, IIT-Bombay, Mumbai

Prof. S. Das, UoH, Hyderabad

Prof. N. Pradhan, IACS, Kolkata

Prof. Swadhin Mandal, IISER Kolkata

Dr. Debendra Kumar Mohapatra, IICT Hyderabad

## CALL FOR ABSTRACT

Original research work on the above-mentioned topics are invited for oral/poster presentations. Submit the abstracts (within 250 words including references) at [seminarchem.uu@gmail.com](mailto:seminarchem.uu@gmail.com) in .doc format. Accepted abstracts will be published in the Abstract book.

**REGISTRATION FEE:** INR 500/- for all participants.
