The Theme

Animals have been used for centuries in scientific studies. This has resulted in immense benefit to mankind as well as animals. Such studies have paved the way towards development of drugs, testing genotoxicity of chemicals, understanding the pathophysiology of diseases in addition to the use of animals as indicators of environment and climate change. Advanced technologies in zoological studies have resulted in the exploration of unexplained biology of animals in relation to welfare of human beings. This knowledge can be extended to resolve conservation issues and others like population dynamics, evolutionary aspect of diversity, adaptation of animals and discovery of targets for pharmacogenomics.

Therefore, the present conference aims at understanding advances in zoological science and their applications to address issues affecting the welfare of animals including humans.

Bhubaneswar and Utkal University

Bhubaneswar is an ancient city in India’s eastern state of Odisha. Many temples built from sandstone are dotted around Bindu Sagar Lake in the old city, including the 11th-century Lingaraja Temple. The state museum is enriched with Jain antiques, weaponry and indigenous pattachitra paintings. Other places of attraction include Caves of Khadagiri and Udayagiri, the peace pagoda Dhuali, Nandankan Zoological Park and Regional Museum of Natural History. The famous 13th century Sun temple at Konark and 12th century Jagannath temple at Puri, known for their architectural marvel, are around 60 km away from the city. The largest Asian brackish water lagoon Chilika, declared as a Ramsar site, is only 90 kms to the south of Bhubaneswar.

Utkal University, established in the year 1943, is the Mother University of the State and the 17th oldest university of the country. It is a teaching-cum-affiliating university and spreads over 399.9 acre area in the heart of Bhubaneswar.

The Post Graduate Department of Zoology was born on 21st July, 1960 with Prof. B. K. Behura as the founder Professor at the historic Ravenshaw College (presently Ravenshaw University), Cuttack, Odisha. The Department was shifted to the Utkal University Campus on 12th July, 1973 and since then the Department has been imparting teaching and training students in various emerging areas of Zoology. Besides, the department has been recognized by UGC (DRS) and DST, Govt. of India (FIST, PURSE) for its contribution in the field of Zoological research. Notwithstanding the highs and lows during the 59 years of existence, the department has earned many laurels and made a name in Zoology in the national arena.

Call for Papers

Abstracts related to the theme are invited for oral or poster presentations in the technical sessions of the conference. Soft copies of the abstracts (TNR Font with size 12) (around 500 words) may be submitted through e-mail to ncaz2019uu@gmail.com latest by 21.02.2019. The authors are encouraged to submit full length research papers by 31.03.2019 which will be considered for publication, after review, in Pranieek, The Journal of the Zoological Society of Orissa (ISSN-0970 - 4450)

For details please contact

Prof. Pravati Kumari Mahapatra : 9437281982
Dr. Gunanidhi Sahoo : 9438328039
Dr. Sudhansu Sekhar Nishank : 9853535258
Email: ncaz2019uu@gmail.com
Registration

Delegates: Rs. 500/-
(For Professionals, Academicians, Industries and Organizations.)

Student Registration
- Graduate Students: Rs. 100/-
- Post graduate Students: Rs. 200/-
- MPhil & Research Students: Rs. 300/-

Accommodation
Delegates are requested to make their own arrangements for their accommodation.

ORGANISING COMMITTEE

Patron: Prof. SM Patnaik
Vice Chancellor, Utkal University

Advisory Board:
- Prof. B Satapathy, Chairman, P.G. Council, Utkal University
- Padma Shri Prof. P Mohanty-Hejmadi
  Former Vice Chancellor, Sambalpur University
- Prof. SK Dutta, Former
  Visiting Professor, IISC, Bangalore
- Prof. (Mrs) RNK Horoo, North Eastern Hill University
- Prof. S Das, Former Professor, Dept. of Zoology, Utkal University

Convener
Dr. Gunanidhi Sahoo
Co Convener
Dr. Sudhansu Sekhar Nishank

Organizing Secretary
Prof. (Mrs) Pravati Kumari Mahapatra

PROGRAMME

DAY 1

9.30 AM - 10.30 AM : Registration
10.30 AM - 11.30 AM : Inauguration
11.30 AM - 11.45 PM : Tea Break
11.45 AM - 12.00 PM : Key Note Address
12.00 PM - 1.30 PM : Invited Talks
1.30 PM - 2.30 PM : Lunch Break
1.30 PM - 3.30 PM : Technical Session I
  (Poster Presentation)
3.30 PM - 5.00 PM : Technical Session II
  (Oral presentation)

DAY 2

10.30 AM - 12.00 PM : Invited Talks
12.00 PM - 12.15 PM : Tea Break
12.15 PM - 1.30 PM : Technical Session III
  (Oral presentation)
1.30 PM - 2.30 PM : Lunch Break
2.30 PM - 4.00 PM : Valedictory

WB-OHEPEE
Sponsored
National Conference on
‘Advances in Zoology’
(2nd – 3rd March, 2019)

REGISTRATION FORM

Name (In Capital) Dr/Mr/Ms..............................................................
.............................................................. Designation
Organization/Institution ........................................................................
.............................................................. City
Pin Code ....................... Phone/Mobile/WhatsApp No ....................
Email Id ................................................................................................
Title of the Paper........................................................................................
.............................................................. Oral/Poster

Registration Fee:
- Delegates (For Professionals, Academicians, Industries and Organizations.)
  Registration: Rs. 500/-

- Student Delegates
  - Graduate Students: Rs. 100/-
  - Post graduate Students: Rs. 200/-
  - MPhil Students & Research Students: Rs. 300/-
