College Development Council.  
Utkal University.

To,

The System Manager,  
Utkal University.

Sub: An appeal for plantation to revive and maintain the greenery of the campus of their respective colleges.

Sir/Madam,

As you know, very recently our state has overcome the severe damaging effect of the cyclone "Fani". The devastation caused by the cyclone is wide spread and heartening. Nearly 80% of the plant life of 5 coastal districts of this state has been damaged extensively and it may take a decade to make up for the loss brought about to our environment and plant life.

Now it has become obligatory on all of us to revive and maintain the greenery in order to create a healthy atmosphere. Keeping in view, all these the Vice-Chancellor has been pleased to make an appeal to all students, teachers and staff members to plant and maintain at least two seedlings each which may yield a rich dividend in the long run.

I took forward to your constructive and kind co-operation in this regard.

Yours faithfully,

*Beharya*  
Director, CDC.
